# Coffee Corner

10 Days Left

**Hubby** - You always carry my photo in your handbag to the office. Why?

**Wife** - When there is a problem, no matter how impossible, I look at your picture and the problem disappears.

**Hubby** - You see how miraculous and powerful I am for you?

**Wife** - Yes, I see your picture and say to myself, "What other problem can there be greater than this one?"

The owner of a small deli was being questioned by the IRS about his tax return. He had reported a net profit of \$80,000 for the year. "Why don't you people leave me alone?" the deli owner said. "I work like a dog, everyone in my family helps out, and the place is only closed three days a year. And you want to know how I made \$80,000?" "It's not your income that bothers us," the agent said. "It's these deductions. You listed six trips to Bermuda for you and your wife." "Oh, that," the owner said smiling. "I forgot to tell you - we also deliver."

## Today's Wisdom

"A hog will eat acorns under a tree day after day, never looking up to see where they came from. Some people are like that-but others are led through their blessings to realize the love of their heavenly Father."

Please remember what  
Christmas is about.  
Your time is a precious gift  
when shared with others.

We believe that laughter is a vital part of living. Your kind support of us and support of our advertisers makes this all possible.

1. I believe that if anything is worth doing, it would have been done already.
2. I shall never move quickly, except to avoid more work or find excuses.
3. I will never rush into a job without a lifetime of consideration.
4. I shall meet all of my deadlines directly in proportion to the amount of bodily injury I could expect to receive from missing them.
5. If at first I don't succeed, there is always next year.

Three elderly ladies are excited about seeing their first Diamondbacks baseball game. They smuggle a fifth of Jack Daniel's into the ball park. The game is really exciting and they are enjoying themselves immensely mixing the Jack Daniels with soft drinks. Soon they realize that the bottle is almost gone and the game has a lot of innings yet to go. Based on the given information, what inning was it and how many players are on base?

It was a cold winter day, when an old man walked out onto a frozen lake, cut a hole in the ice, dropped in his fishing line and began waiting for a fish to bite. He was there for almost an hour without even a nibble when a young boy walked out onto the ice, cut a hole in the ice not too far from the old man and dropped in his fishing line. It only took about a minute and WHAM! a Largemouth Bass hit his hook and the boy pulled in the fish.

The old man couldn't believe it but figured it was just luck. But, the boy dropped in his line and again within just a few minutes pulled in another one.

This went on and on until finally the old man couldn't take it any more since he hadn't caught a thing all this time.

He went to the boy and said, "Son, I've been here for over an hour without even a nibble. You have been here only a few minutes and have caught about half a dozen fish! How do you do it?"

The boy responded, "Roo raf roo reep ra rums rram."

"What was that?" the old man asked.

Again the boy responded, "Roo raf roo reep ra rums rram."

"Look," said the old man, "I can't understand a word you are saying."

So, the boy spit into his hand and said, "You have to keep the worms warm!"

Then there was the caller who asked for a knitwear company in Woven.

Operator: Woven? Are you sure?

Caller: Yes, that's what it says on the label - Woven in Scotland.
